## BRISBANE APPOINTMENT

Colin Vaughan, who recently became a member, will be missed in the Club having been transferred to Brisbane. We at the Club wish you all the success in your new appointment, Colin, and look forward to seeing you when in Sydney.

## THE WRONG TREBLE

Steph Lowe, who is used to trebles, experienced the wrong kind over the Christmas holidays. A cat burglar broke into his home at Pymble twice and once into his Palm Beach home, all in the one week. Not altogether a start of a Happy New Year, Steph.

## PROUD GRANDFATHER

Ray Davis was very thrilled when he entertained his four grandsons at the Club recently.

## CLUB MEMBER'S TOP APPOINTMENT

Jack Holman was recently appointed Chairman of Patterson & Beck Pty. Ltd., following the retirement of another Club member, C. Beck. Jack is also Chairman of George Lewis and Butterfield & Lewis Pty. Ltd.

## HOLIDAY BOUND

Russ Williams will be missed in "The Corner" when he and Mrs. Williams leave on February 11th for a seven weeks tour on the Canberra, which will call at Auckland, Nefia, Honolulu, Vancouver, San Francisco, Japan, Hong Kong, many other ports, and then back to Sydney. Bon voyage, Russ.

## SECRETARY ON HOLIDAYS

Lyal Binns, Secretary of the Club, returned after a three weeks' holiday looking very fit indeed. Lyal did not go away on this occasion, being too busy moving into his new unit.

During Lyal's absence, Assistant Secretary Jim Thomson carried on, doing an excellent job.

## BACK TO THE CLUB

By the time this issue of T.C.M. is published, we will be welcoming that well known visitor from America, Harry

Bernstein, again. Harry is known to most members, having for a number of years been spending half of the year in America and the other half in Australia. When in Australia, Tattersall's Club is his home. It will be nice to see you again, Harry.

## ON THE TRAIL (OR TRACK?)

If Colonel Edwin Penfold is reported missing from the third floor, he would be found at Kiandra, fishing for those large trout we hear about, but never see.

## SANTA ANITA HANDICAP

A letter has been received from Mr. Dan Young, Regional Director of the United States Travel Service, which is a section of the U.S. Department of Commerce.

This letter may be of interest to members, and reads as follows:

As you undoubtedly know, three Australian horses, including Tobin Bronze, have been nominated to race in the Santa Anita Handicap to be held in California in March. The Handicap will be held on Saturday, March 9 in the middle of a record 75-day season at Santa Anita during the most favourable

time of the year in Southern California.

The opportunity to view one of the world's racing classics, as well as experiencing the nearby excitement of Las Vegas and Palm Springs, will attract — we expect — a large contingent of Australian turf followers to visit the U.S.A. and, presumably, a great many of these will be members of your Club.

I would like to point out that substantial savings can be made on air fares when members of affiliated groups, such as club members, travel together. It is also possible to obtain reductions in hotel accommodation and other benefits to members of the group.

I would appreciate the opportunity to discuss a possible group tour of Tattersall's members with you.

I should also point out that the United States Travel Service is not a travel agency but an official U.S. Government body, attached to the Department of Commerce in Washington. We are not in business to sell tours. Our sole aim is to promote travel to the U.S.A.

The actual details of such a trip would be worked out with the airline or travel adviser of your choice. We would be delighted to work with you in developing the idea with them. Such a visit to Santa Anita would be a pleasant — and perhaps even profitable — experience for your members.

Very truly yours,  
Daniel J. Young,  
Regional Director.

Any member wishing to take part in a group may discuss this matter with the Secretary.

**HONOUR FOR MEMBER**

Many members will recognise the photograph below of Israel Green, who has been a member of this Club since 1931. Isse, as he is known, has been a regular user of the Athletic Department since he joined.

We are pleased to advise that Isse was awarded an O.B.E. by the Queen in her New Year Honours list recently published, and a well deserved honour it was too. Isse served during the first and second world wars, during his youth was a lifesaver, and has built up a very successful business.

He has given generously of his time and money to numerous worthy causes for over 40 years, as well as local and overseas relief funds. He is currently a Life Governor of three large local hospitals and five other organisations. A plaque in the Jewish War Memorial at Darlinghurst records his generosity, and in the Great Synagogue in Sydney the main hall of its War Memorial Centre has been named as "The Israel Green Auditorium" in appreciation of his work in this direction.

Isse has been an active member of the Sydney Legacy and has served on its Board and as President. He received the Queen's Coronation Medal in 1953. For more than 40 years Israel Green has played a leading role in the Australian Jewish community and is still actively engaged therein, having occupied a number of the principal posts on numerous committees. He has been

honorary appeals director of many worthy causes during the past four decades, and has assisted in raising more than one million dollars for a number of important organisations.

Isse has two brothers, two sons-in-law, and several nephews who are also members of Tattersall's Club. Isse was one of the foundation members of the original golf club formed in the 1930s. He has played handball for more than twenty years, and has won several competitions. Isse won the Snooker Handicap in 1940, although he has since retired from this game. He is now a very keen bowler, and plays regularly in competitions.

We are pleased to have a member like Israel Green, who spends so much time helping other people. We commend you, Isse, on your past record, and wish you well for the future.

**PROUD MEMBER**

Dr. Bray Mendelsohn and wife have every reason to be proud of their family.

Son, Kevin, aged 19, recently passed his second year medicine with honors.

Colin, aged 16, received six A's in the School Certificate examination and gained a scholarship, whilst son Martyn, aged 9½, was appointed Dux of 3rd grade at school.

A fine record indeed, Bray.

**OUR CONGRATULATIONS**

Prior to Christmas one of our younger members, Ian Joye, together with his wife, won a competition conducted throughout Australia to select the host and hostess of the year.

This is a wonderful achievement, and they have won a world trip. They will be away for two months, during which time they will meet their parents in Paris. Ian's father, Edward Joye, also a member of the Club, naturally intends to shout the champagne while they are in Paris.

We congratulate you and your wife, Ian, and trust you have a most enjoyable trip.

**WEDDING BELLS**

At a wedding ceremony held at Strathfield during January, Club member Dr. Reay and Mrs. Eakin saw their eldest daughter, Christine, the first of their nine children, marry Kevin Coorey.

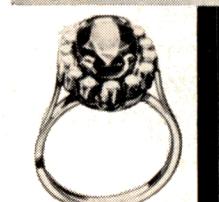

The reception was held at the home of Dr. Eakin, and numbered among the 180 guests were many members of Tattersall's Club.

Kevin, a barrister by profession, is also one of nine children, and will leave shortly with his bride to practise in New Guinea with the Commonwealth Administration Department.

Kevin's brother, Dr. Glen Coorey, is also one of our well known members.

**PERSIAN LEADER KILLED**

Arthur Greenhalgh was most unfortunate in losing such a promising galloper in Persian Leader, who was killed recently at Randwick.

Persian Leader won many races, both in Sydney and Newcastle. Bad luck, Arthur.

**OUR CONDOLENCES**

It is with great regret that we note the recent death of W. T. (Bulla) Franklin, one of our well known older racing members. He will be sadly missed.

**MUSIC TO FATHER'S EARS**

Popular member, Dr. Brian Carroll, father of five girls and five boys, was a very happy man when his seventeen-year-old daughter, Mary, recently returned home after completing a year's exchange scholarship at Keio High School in Tokyo, Japan.

Mary told him that children of 11 years of age at this school study "like mad" until midnight.

With a large family like Brian's it would be music to a parent's ears to learn that Mary has decided to take up nursing as her career.

**GOLF NOTES**

No golfing news will be published this month. Popular President Geoff Eastment is not available as you can see by the cartoon herewith.

(Acknowledgement to The Sun.)

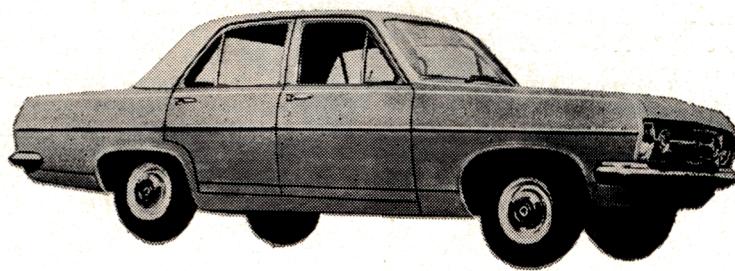

"Please come out, Geoff; 87 for one hole isn't so terrible."

We understand that the fixture lists will be forwarded shortly. The first match to be played at Bonnie Doon on Thursday, 7th March.

## TATTERSALL'S GREAT RACES NAMED AFTER TOP PERSONALITIES

The earlier generations of Tattersall's Club's Committee chose top personalities in giving their races memorables names.

Important events were titled after three Governors General of the Commonwealth of Australia, a co-founder of the Club at its present site, and two of the best mares on the Australian Turf.

The Carrington Stakes is named for Lord Carrington, Governor General from 1885 to 1890, the Chelmsford Stakes for Lord Chelmsford who held office from 1909 for a year, and the Denman Handicap for Lord Denman 1911-14.

The James Barnes Plate commemo- rates the services to the Club of the late Mr. Jim Barnes who was Chairman from 1916 to 1929, and whose enterprise and drive resulted in the Club's move from antiquated quarters in Pitt Street, to its present up-to-date palatial premises in Elizabeth Street.

The famous mares whose names apply to Tattersall's Club's races are Furious and Gladsome.

Lord Chelmsford, Lord Denman, and Lord Carrington did not race horses but were keen followers of the turf. They belonged to an era when Vice-Royalty drove in an open coach drawn up the Randwick straight led by a military cavalcade, just as we saw in February 1954 when Her Majesty Queen Elizabeth did for the A.J.C. Royal meeting organised for her Australian visit.

Other Vice-Royalty in the past owned and raced their own horses. State Governor of N.S.W., Sir Hercules Robinson, was an ardent supporter of the turf. In his colors Kingsborough won the Sires' Produce Stakes, Champagne and Derby of 1874. Kingsborough was trained by Tom Lamond, grandfather of one of our senior members today, Stan Lamond. Sir Hercules also won a Doncaster in 1870 with Barbelle and the 1875 Champagne with Hyperion.

The Earl of Stradbroke, State Governor for Victoria, was a popular turf supporter on Melbourne courses, especially when he imported an English horse The Night Patrol. Trained by Jim Scobie, he gained a popular win in the Cantala Stakes at the 1924 Melbourne Cup meeting. He won weight for age races and ran second to Gloaming in the Linlithgow at Flemington. The Night Patrol's \$39,836 in prizemoney reflected what a good performer he was.

Lord Stradbroke was an ardent lover of thoroughbreds and not only when The Night Patrol performed but at frequent intervals visited Flemington tracks to see the training gallops and met and chatted with trainers, pressmen and the lads who "strapped" the horses after their work.

Tattersall's Club itself was named after a famous English institution, Tattersall's of London which attracted the elite and the wealthy for centuries. It became the hub of all thoroughbred matters where horses and mares of renown were bought and sold and huge wagers were made and settled. It helped to build up an industry which made England for years the world leader in turf and breeding matters.

The Gladsome Handicap for mares commemo- rates the name of a famous performer on the turf, Gladsome. A New Zealand authority proclaimed her after she had won the Auckland Derby and Oaks and was destined for Australia, the best mare in New Zealand history. This was of course before Desert Gold from that Dominion won 19 races straight. The late Mr. Sol Green, Leviathan Victorian bookmaker, bought Gladsome and she won the Caulfield Futurities in 1905 and 1906 as a four-year-old with 97 and at five with 913. She won the Craven Plate at Randwick in 1905. In all she had 28 wins for stakes worth \$21,424, a lot of money for those days of comparatively impoverished prize-money. Furious came later. She was the only performer bred by the late Mr. E. E. D. Clarke at his Melton Stud in Victoria. Randwick trainer Frank Marsden took over her training and she won the 1920 Gimcrack,

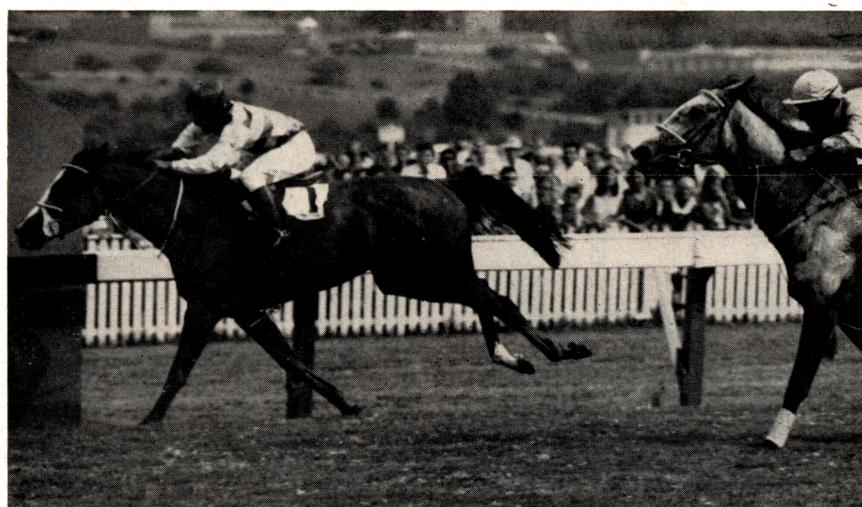

A. J. C. Sires' Produce and Champagne Stakes, the Rosehill Guineas, and Victoria Derby and Leger. She had 13 wins for \$40,344 in prize-money.

Frank Marsden had a little apprentice named F. Allotta when Furious was in the stable. When she was preparing for one of her big campaigns in March 1923 he decided to run Furious in a Rosehill Rydalmer mile although she was weighted at 108. Claiming 71lb for Allotta she won the race at 15/1 and beat The Epicure who, a few weeks later, won the Doncaster. That's how good Furious was, a lovely big chestnut with neat white blaze and markings.

Young Allotta, whom we now know as Fil Allotta, one of Randwick's most successful trainers with wins in the Derby (Advocate) Don- castler (Cabochon) Newmarket and Gimcrack (Cultured) and Maribyrnong Plate (Heirloom and Birthright) to name only a few. Mr. Fil Allotta has been a member of Tattersall's Club for 18 years.

There is an interesting and rather sad allusion to a race run during the recent Carnival at Randwick, not Tattersall's but an A.J.C. event, though the people concerned were V. I. P's at Tattersall's Club.

This was the Chisholm Handicap won last month by that highly promising sprinter Wentwel. The Chisholm was named after Harry Chisholm, an A.J.C. Committeeman and Vice-Chairman, who 40 years ago owned a bloodstock rival to Inglis'. Harry bought and sold many thoroughbreds, raced a string of them, but never had the luck to acquire anything of note until he bought a Rossendale colt in 1926. Named Winalot he

A.J.C. Chairman, Mr. Brian Crowley, who for a quarter century has been one of Sydney's most lavish supporters of racing. He has been rewarded with champions Flight and her grandsons Sky High and Skyline.

won a few races, then ran Trivalve to a head in the A.J.C. Derby at Randwick and looked set for a bright career after Trivalve won the Victoria Derby and Melbourne Cup.

But Mr. Chisholm died soon after the Derby defeat and, auctioned a month later Mr. E. K. White, for 39 years a member of Tattersall's Club, got a remarkable bargain at 2100 guineas. Within a few months Winalot won a fortune for Mr. White with a treble never achieved before or since, the Warwick Farm Cup, Randwick St. Leger and Sydney Cup of 1928. In the Leger he turned the tables on Trivalve who had beaten him in the Sydney Derby. Winalot was a good stayer who landed many weight-for-age races after his notable treble.

An interesting sidelight on the relationship between the A.J.C. and Tattersall's Club is that Mr. A. B. Crowley, the father of the premier Club's Chairman Mr. Brian Crowley, was a Committee-man of Tattersall's Club and sometimes acted as Treasurer. He raced a few horses but never attained anything beyond the commonplace compared with his son's phenomenal record with the champions Flight, and her two grandsons Sky High and Skyline, winners of the Golden Slipper and Derbys and scores of other notable races.

It is with great pleasure we welcome two new members, W. H. Schumaker and J. Murphy. It is very nice to have you with us and hope you become regular players. All the best to you both.

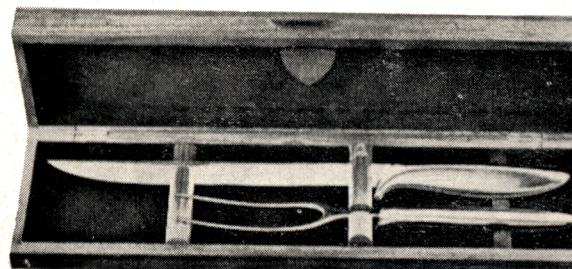

This year, being leap year (watch out boys), we have an extra Thursday in February and no better way of celebrating leap year than joining Randwick Rotary Club at their charity day at Kensington Bowling Club on Thursday,

# Point Score to Bill Butchart

All honours in the December-January Point Score went to Bill Butchart, who has been swimming most consistently this season and put the seal on his form by beating John Talty for the trophy by half a point.

This was Bill's first Point Score win and he was a very proud man when he learned of his victory.

Perhaps not too many members know that Bill ran into the 800 metres track final at the 1956 Olympic Games in Melbourne. That was certainly some effort.

Frank Falson was in third place in the latest Point Score and he, too, is going great guns even though a lot of his time is now taken up as a Swimming Club official.

At time of writing Frank had a handy lead of  $4\frac{1}{2}$  points over Dan O'Connor in the 1967/68 "Native Son" Point Score for most points scored during the season with Bill Butchart two points behind in third place.

The Club welcomed a large number of new Swimmers during the month. D. Isles, J. Godden, David Scutts, Col Pearce, Geoff Williams, Malcolm Binnie, Ted Lloyd, Earl Phillips Jnr., (son of Earl who was one of the best stylists of his day) and John Wainwright, brother of Kathy. We know they enjoy the sport and are happy members of the Third Floor.

Peter Wakefield is back in Sydney and is swimming again and as everybody knows he packs a lot of pace over the two laps. First up he drew new member Colin Pearce in a Brace Relay and the pair won both heat and final very easily, breaking their handicap time by nearly three seconds. Peter broke the 20 seconds in his last race and dead heated with David Bruce in the final in 20.5 seconds.

Our genial Hon. Secretary, Jack Dexter, will be away for the next couple of weeks attending the Country Championships around Wagga. Don't overdo it, Jack.

Once again Norm Rogers is wearing that smile that won't come off and he's entitled to do so when it is known that son Greg finished second in the N.S.W. 100, 200 and 400 metres championships recently held. We're looking forward to Greg doing even faster times in the Australian championships to be held in Melbourne towards the end of the month.

It is good to note that Club member Jack Wainwright's daughter, world record holder, Kathy, is to contest the Australian championships. Good luck,

Kathy! It is also good to see Jack's son John swimming with the Club.

Best times during the month were 19.4, Peter Wakefield; 19.7 by Paul Blake; 20.1 and 20.2 by J. Lance; 20.8 by Bill Butchart; 20.6 by W. Henneberry; and 21.5 by Alan Ball.

Lance is another performer who is doing very well and we will be surprised if he fails to break the 20 seconds barrier very soon.

Some of the boys improved their handicaps during the month and Nev Amy, Bill Butchart, John Talty, and Lee Bluett, Roger Clark, Peter Wakefield, David Bruce, Malcolm Binnie and John Bradshaw were all dropped a second.

# IMPORTANT TO ALL MEMBERS

Between the date on which an application for membership of Tattersall's Club is lodged and the date on which it comes up for processing by the Committee there is usually a considerable time lag. For this reason the Club makes a practice of checking by letter with new members' sponsors immediately prior to processing to make sure any details or information included in the original application, such as addresses, etc., have not altered in the interim. Those listed as referees on the application form are also written to.

On many occasions both sponsors and referees have been tardy or completely neglectful in answering these letters and the Club has had to go to the trouble of writing again, sometimes on several occasions, or finding other means of contacting these people and seeking their confirmation.

Not only is this expensive for the Club but time wasting as well.

The Club would be most reluctant to adopt a policy of abandoning any application concerning which a sponsor and/or referee failed to answer correspondence promptly but feel that this course could be forced upon them unless these members co-operate.

To avoid any such possibility sponsors and referees are therefore requested to make a point of answering without delay any communication in connection with their nominee's application form or any other details concerning him. By doing this they will ensure that his application is processed in proper turn and he will be admitted to the Club at the earliest possible time.

There's a lot to be said for the old adage 'too many cooks spoil the broth' but it certainly doesn't apply to travel! And there are over 400 Cooks offices in 57 countries to prove it!

Sophisticated travellers know how valuable it can be to have the man from Cooks' close at hand when needed. And remember too — Cooks handle every type of travel from Conducted Tours to Independent Travel — at no extra charge for their 125 years of experience.

## STAFF CHRISTMAS PARTY

The Club staff celebrated Christmas with one of the most successful parties ever. A large attendance gathered in the Sportsman's Room. Delightful food and entertainment helped to make the party a happy occasion. Secretary Lyal Binns excelled himself as a "drink dispenser".

A happy group at the Staff Christmas Party.
